\$333 Per Pass

The Dual-Layer Healing System

Source Intelligence + Earth Medicine Precision

LAYER 1 — SOURCE INTELLIGENCE HEALING

The Vault Scan transmits recalibration across DNA, blueprint, and soulstream — clearing, restoring, and re-anchoring sovereign health at the quantum field level.

LAYER 2 — EARTH MEDICINE PRECISION

A 16-category clinical protocol menu with complete, specific, dosed protocols: nutrition, Ayurveda, homeopathy, allopathic bridges, light therapies, frequency protocols, biomagnetism, nebulization, and more — fully sequenced for Practitioner or Client.

PRICING — \$333 per pass · Add 16-Category Clinical Protocol Menu: +\$111 · Protocol Menu Standalone: \$222

Each pass identifies Physical Markers (DNA/cellular disruptions, toxin load, immune function) · Emotional/Ancestral Markers (trauma, grief, generational overlays) · Energetic Markers (chakra/meridian imbalances, vitality leaks, field distortions)

16-Category Universal Protocol Template

Practitioner Codex Manual — Add-On (+\$111) or Standalone Transmission (\$222)

Every protocol is delivered with complete specificity — specific names, doses (mg/IU), timings, durations, and sequencing — calibrated to the client's live quantum blueprint field, birth codes, cancer type, and blood type.

1 Nutrients + Herbals

Core vitamins, minerals, herbal tinctures, medicinal mushrooms + functional foods — specific names, doses, timing, form, and duration based on the client's live quantum field.

2 Ayurvedic Protocols

Dosha assessment. Rasayanas, specific teas, therapeutic oils, seasonal detox — specific Ayurvedic formulas with timing + dosage tailored to individual constitution.

3 Homeopathy

Potentized remedies tailored to symptom + emotional profile — specific remedy names, potency (30C / 200C), dosing schedule, duration, and key indications.

4 Allopathic Bridges

Conventional treatment integration guidance — drug interactions, clinical monitoring markers, adjunctive therapies. Note: Always coordinate with supervising physician.

5 Light + Frequency Therapies

Specific light wavelengths (nm), Rife/PEMF frequencies (Hz), sound healing, tuning forks — session duration, equipment type, and schedule.

6 Biomagnetic Protocols

Precise biomagnetic pair placements, polarity, duration + frequency for therapeutic application of magnetic fields — specific body point pairs.

7 In-Home Rituals

Breathwork, water medicine, crystal protocols, movement, cleansing + mindful nutrition — specific practices with exact timing, duration, and morning/afternoon/evening sequencing.

8 Integration Protocols

Structured daily rhythms, cyclical resets + closing invocations — day-by-day integration schedule for weeks 1-3, reset protocols, cycle awareness practices.

9 Sacred Geometry

Mudras with instructions, geometric patterns, sacred positioning, and healing body postures — specific timing and application guidance.

10 Epigenetic + Lifestyle Codes

Sleep hygiene protocol, epigenetic foods, stress regulation schedule + lifestyle modifications to influence gene expression and cellular environment.

11 Elemental Medicine

Fire, Water, Earth, Air + Ether practices tailored to this individual — specific elemental rituals, exposures, and therapies.

12 Nervous System Support

Somatic exercises, polyvagal activation, vagus nerve toning (cold exposure, humming, etc.) — schedule, duration, and trauma-informed sequencing.

13 Advanced Integrative Bridges

TCM organ/meridian assessment, German New Medicine biological conflict, Anthroposophic Medicine support + Quantiom device frequencies.

14 Ritual + Ceremony Layer

Morning invocation, weekly ceremony structure, moon cycle practices + closing ceremony protocol — honoring cycles and facilitating transformation.

15 Caregiver Support

Practitioner self-care protocol, energetic protection practices, boundary seals + guardian invocation — for those holding space for healing.
